### FISCAL MEMORANDUM

HB 947 – SB 1179

March 23, 2017

**SUMMARY OF ORIGINAL BILL:** Requires certain contracts or agreements entered into by a local government which obligate public funds to be considered a public record and open for public inspection.

FISCAL IMPACT OF ORIGINAL BILL:

#### **NOT SIGNIFICANT**

**SUMMARY OF AMENDMENT (004677):** Deletes and rewrites the bill such that the substantive changes would (1) expand applicability to include certain contracts or agreements presented to or considered by a local government's legislative body and (2) require the local governing body to publicly disclose the proposed contract or agreement in a manner that would adequately notify and inform the public of the proposal prior to a vote regarding the proposal.

#### FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the bill as amended:

- The proposed language would apply to any contract or agreement which would obligate public funds.
- All trade secrets, company documents, or records containing marketing information or capital plans will remain confidential until the provider of such information no longer requires its confidentiality.
- No method for providing notice to the public is prescribed in the language; therefore, it is assumed the local governing body would provide such documents to the public at a regularly-scheduled meeting of the body, and as a result, not incur any significant increase in local expenditures.
